Guest Speaker : John Moss "On Orchids"

John has kindly agreed (at short notice) to speak to us on Orchids. His wide experience has included judging orchids at the Cairns Show as well as other shows. Here is an opportunity to find out something of the intrigue of the orchid.

Helen Moody

It is with great sadness that we announce the passing of our friend and colleague Helen Moody on Sunday August 11.

Helen was very active in SGAP and joined the Cairns Branch in 1989, serving recently as our Officer for Liaison and Guest Speakers, prior to which she was President for two years following her stint as Treasurer.

Helen's life was filled with the propagation of the plants she loved and her knowledge and enthusiasm for SGAP is both well documented and appreciated by us all.

We extend our sincere and heartfelt sympathy to Robin, Kent and Daniel. Our thoughts are with you at this sad time. We too, will all truly miss her.
